STUDY L-3032.5 — STOCK COOPERATIVES AND THE UNIFORM TOD SECURITY REGISTRATION ACT

The Commission considered Memorandum 2020-69, which discusses the development of a statute to allow for the nonprobate transfer of an owner’s interest in a stock cooperative. The Commission made the decisions described below.

The process for executing and authenticating a transfer on death designation for an interest in a stock cooperative will be based on a “registration” approach with the following elements:

- (1) The transferor will sign a transfer on death registration form in the presence of an agent of the stock cooperative.
- (2) The agent will countersign.
- (3) Both signatures will be notarized.
- (4) On proof of the transferor’s death, the stock cooperative will reregister the interest in the beneficiary’s name as the new owner.

No further witnessing will be required. No notice to the deceased transferor’s heirs will be required.
